

Introduction to Market

Intelligence Tools

Jan. 29, 2015

Venue: Conference Room Ministry of Infrastructure Port Services and Transport in Union, Castries

The Trade Export Promotion Agency (TEPA) will be hosting a training workshop on Market Research scheduled for Thursday, January 29th, from 9:00 a.m. - 4:00 p.m.

This exercise is geared towards introducing private sector firms that are exporting or are export ready, to market intelligence and market research tools.

Participants will also be introduced to TEPA's new Market Research Entry Program (MREP).

Workshop can only accommodate **25 participants** who will be accepted on a first come first serve basis.

Register Early!

Cost: FREE

Participants should bring a laptop and a description of their products as well as business card and brochures.
